GRADUATE

With Experience

SUTech provides students with comprehensive educational experience that includes:

- Accredited 4-year bachelor of technology degree
- Dual certification in Game Development Program
- International Certificate of recognition
- International Curriculum and learning standards
- AI Based education
- Local and Global Internships & trainings
- Highly qualified professors & lecturers
- 60% hands-on learning in line with Market needs
- State of the Art Facilities and Campus
- A wide variety of Scholarships & Financial Aid

CAMPUS

Life & Facilities

- 01 85,000 meter square
- 02 Cutting edge Labs
- 03 Workshops
- 04 Cafeteria
- 05 Art studios
- 06 Gym
- 07 Sport courts
- 08 Library
- 09 Gaming room

10+ PROGRAMS

4 year Bachelor's Degree

SCHOOL OF ENGINEERING TECHNOLOGY

IN THE FIELD OF COMPUTER SCIENCE TECHNOLOGY:

- Artificial Intelligence & Data Science Technology
- Network and Cyber Security Technology
- Information Technology
- Computer Science Technology
- Software Engineering Game Development Technology [Coming Soon]

IN THE FIELD OF ENGINEERING TECHNOLOGY:

- Electrical and Electronic Engineering Technology
- Energy Engineering Technology
- AI in Smart Water Management Engineering Technology [Coming Soon]

SCHOOL OF ARTS & DESIGN TECHNOLOGY

- Product Design Technology
- Animation & Visual Design Technology

SCHOOL OF BUSINESS TECHNOLOGY (COMING SOON)

- Business Analytics Technology

SCHOLARSHIPS

SUTech is committed to distinguishing excellence and perseverance in our student's education by providing scholarship opportunities.

01 **ACADEMIC**
Excellence
Scholarships

02 **SPORTS**
Excellence
Scholarships

03 **FINANCIAL**
Aid
Scholarships

DEGREES

Offered

BACHELOR OF ENGINEERING TECHNOLOGY →

SPECIALIZED MBA →

DOCTORATE OF TECHNOLOGY →

MASTER OF TECHNOLOGY →

ELIGIBILITY

To Apply

Thanaweya Amma and all equivalent certificates are eligible for SUTech (IG - IB - American Diploma and more)
